Pursuant to 37 C.F.R. § 1.97 and the continuing duty of candor and good faith in dealing with the PTO, the undersigned submits the following Supplemental Information Disclosure Statement and accompanying Form 1449 for the Examiner's consideration.

This Supplemental Information Disclosure Statement supplements Table 1 of the previously filed Information Disclosure Statement ("IDS") filed on September 4, 2007, September 12, 2007, and November 30, 2007. Table 1 lists references cited during the prosecution of copending U.S. Applications. In addition, this Supplemental Information Disclosure Statement also provides the accompanying Form 1449 listing other references for the Examiner's consideration.

As in the previously filed IDS, Table 1 provides a list of the serial numbers for the above noted copending application, the date on which an Office Action was mailed, and the cited art applied in the Office Action under one or more sections of 102 and/or 103. Table 1 lists all of the applied art in the U.S. application, some art of which may not be of record in the present application and some art of which may already be of record in the present application. The references in Table 1 that were cited in the Office Action and are not yet of record in the present application are also cited in the attached Form 1449. If Table 1 lists references that were cited in

the Office Action, but are already of record in the present application, then such references are identified with an asterisk (*) in Table 1 to indicate that they were previously submitted to the Office in the present application. Hence, references listed in Table 1 with an asterisk are not listed on the attached Form 1449, as they are already of record.

Table 1

U.S. Application No.	Cited Art in a 102 and/or 103 Rejection	Date of Office Action
11/063660	JP 2000-035521A (Kawanishi) * 6542673 (Holter) *	12/05/2007
10/956791	5091636 (Takada)	12/21/2007

The filing of this Supplemental Information Disclosure Statement should not be construed to be an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in § 1.56(b). Also, it is emphasized that the undersigned is under no obligation to provide the information in Table 1. Providing the information in Table 1 is not required under 37 C.F.R. § 1.97, nor under the duty of candor and good faith in dealing with the PTO. This information is provided merely as a convenience.

Should the Examiner have any questions regarding the above, the Examiner is kindly invited to contact the undersigned at the telephone number listed below.

Respectfully Submitted,
